Summary of Issue: MS 282.01 requires that the County Board classify County administered tax-forfeited lands as conservation or non-conservation. Conservation lands are lands best left in public ownership for conservation purposes such as forestry, outdoor recreation, wildlife habitat, etc.. Non-conservation lands are determined to be best suited to uses other than conservation, including being returned to private ownership. Beginning in 2013 the forestry advisory committee reviewed parcels and developed a draft classification to be considered for approval. On May 13th a public meeting was set for July 22nd to accept and consider comments related to the proposed classification.

CERTIFIED COPY OF RESOLUTION OF COUNTY BOARD OF AITKIN COUNTY, MINNESOTA

ADOPTED July 22, 2014

By Commissioner: xx

072214-0xx

CLASSIFICATION OF LANDS FORFEITED TO THE STATE FOR TAXES

WHEREAS, under Statute 282, the Aitkin County Board of Commissioners, is acting on behalf of the state under laws allowing the county board to classify and manage tax-forfeited lands held by the state in trust for the local units, and

WHEREAS, parcels of land becoming the property of the state in trust under law declaring the forfeiture of lands to the state for taxes must be classified by the county board of the county in which the parcels lie as conservation or nonconservation. In making the classification the board has considered the present use of adjacent lands, the productivity of the soil, the character of forest or other growth, accessibility of lands to established roads, schools, and other public services, their peculiar suitability or desirability for particular uses, and the suitability of the forest resources on the land for multiple use and sustained yield management. The classification, furthermore, must: (1) encourage and foster a mode of land utilization that will facilitate the economical and adequate provision of transportation, roads, water supply, drainage, sanitation, education, and recreation; (2) facilitate reduction of governmental expenditures; (3) conserve and develop the natural resources; and (4) foster and develop agriculture and other industries in the districts and places best suited to them, and

WHEREAS, a public meeting was held on July 22, 2014 at 11:00 am at the regular county board meeting and that prior to meeting for the purpose of classifying or reclassifying tax-forfeited lands, the county board gave notice of its intent to meet for that purpose in postings, on the web site, and in the local newspaper, in addition to sending letters to any township or city in which the properties were located, and

WHEREAS, at the meeting, no objections were raised on any of the attached parcels.

THEREFORE, BE IT RESOLVED, that the Aitkin County tax forfeited parcels be classified as per the attached document. And any Aitkin County tax forfeited parcel that is too small to be mapped in this attachment will be classified as nonconservation.

Commissioner xx moved the adoption of the resolution and it was declared adopted upon the following vote
