

Local Fresh Foods

Aitkin County is home to many fruit and vegetable farmers and meat and poultry producers. Your Family can eat farm fresh foods! Stop by the Farmer's Market in Aitkin Saturday mornings from 8 am to 12 pm (downtown Aitkin by the Butler Building). Or contact your local farmer about Community Supported Agriculture.

Why eat foods from producers you don't know, when you can get Aitkin County grown, born and raised foods right here?
