### **Aitkin County Health & Human Services Announces Open House for Newly Renovated Facility**

Aitkin, MN - Aitkin County Health & Human Services (HHS) announces the completion of renovations to its facility, creating a more accessible, functional, and welcoming space for the community.

To celebrate, HHS will host a public open house on June 10 at 204 1<sup>st</sup> Street NW in Aitkin. The event will include dedicated time for County employees, followed by community tours, culminating in a public ceremony at 6:00 p.m. Community members, partners, and stakeholders are invited to attend, tour the updated building, and learn more about available services.

#### **Event Schedule:**

**3:00 – 4:30 p.m.** – Open House Tours (County Employees Only)

**5:00 – 6:00 p.m.** – Open House Tours (Open to the Public)

**6:00 p.m.** – Public Ceremony with Remarks from County Leadership and Project Partners

The improvements reflect HHS's ongoing commitment to serving the community. Updates include refreshed workspaces, improved meeting areas, enhanced accessibility features, and added security through controlled access to help ensure a safe environment for visitors, community members, and employees.

"We're proud to provide a space that better supports our community members and our employees," said Sarah Pratt, Director of Health & Human Services. "These updates allow us to offer services in a setting that is more welcoming, accessible, and secure for everyone who walks through our doors."

Following the open house, Aitkin County Health & Human Services will officially resume regular operations in the renovated facility beginning **July 6, 2026**.
